PREFACE.

M. W. JUDGE JOHN L. LEWIS,

GRAND MASTER OF THE GRAND LODGE OF NEW-YORK,

HAS so happily and truly daguerreotyped the views which prompted us to undertake the publication of the UNIVERSAL MASONIC RECORD, in the following extract, that the reader will at a glance see the design and purposes, and future historical value of the work. He says: "Your idea, Brother Hyneman, of the UNIVERSAL MASONIC RECORD, is most valuable and useful, and well deserves the patronage of the fraternity. It will be useful not alone as a book of reference, but will *awaken a thousand kind and pleasant recollections of absent and endeared friends*, and serve as a guide and text-book to the future Masonic biographer. Combining thus, in one volume, the practical with the agreeable, it will be a future companion of high value when the present generation has passed away."

Thus speaks the eminent jurist, M. W. John L. Lewis. We might fill many pages with approbatory communications from the most eminent freemasons in the United States and British Provinces, not only thanking us for having originated so highly useful and valuable a work, but who have given their *official sanction and approval* to the publication of the UNIVERSAL MASONIC RECORD. Among whom it will be sufficient to name only the following, who are endeared to the craft no less for their virtues than their high masonic attainments, viz.: M. W. Brothers Albert Pike, B. B. French, Rob. Morris, Winslow Lewis, T. S. Parvin, J. Q. A. Fellows, A. T. C. Pierson, R. W. T. Daniel, Edw. Stewart, W. R. Smith., Archibald Scott, &c., & .

The press have also, with great unanimity, spoken favorably of the publication, and commended it as worthy of the patronage of the craft. The members of the order, also, with very rare exceptions indeed, wherever the object and design of this work was presented to their notice, have not only heartily approved of it, but,

without hesitation, at once subscribed for the book. Notwithstanding the very liberal subscription, as will be seen by the following pages, but few of our brethren lent a helping hand to promote its success.

The subscribers to this work will find that it is much more comprehensive than it was first supposed. We have performed our part faithfully, and have even done more than we promised. The lists of lodges and their places of meeting are complete, and the *times* of meeting are all correct so far as we could get the information, which, in some few cases, was impossible. We could not possibly reach every freemason and inform him of our intention to publish the UNIVERSAL MASONIC RECORD, but in those places where we had intelligent and active agents, the subscriptions were quite liberal. To the freemasons of the city of New-York we refer with much pride as appreciating the value of the publication, and, indeed, to the members of the order generally wherever the work was brought to their notice. It will be seen that in the States of New-York, Pennsylvania, Ohio, Indiana, Kentucky, Connecticut, and Michigan, the subscriptions number some thousands. Considering the vastness of the undertaking, and the limited time and little help we had, we have accomplished fully as much as was reasonably to be expected.

The arrangement of the work we believe to be perfect. The lodges are arranged numerically in each jurisdiction, and the States and territories of the United States in alphabetical order. The subscribers' names are also arranged in alphabetical order in each State, and where five or more subscribers resided in one town we have placed the name of the town in a separate line, above the names of the subscribers. The proper names of the subscribers precede the given or Christian, as in all directories.

The typography of the work cannot be excelled. The type being all new; the paper is of a superior quality, and the binding neat and substantial. No expense has been spared in the getting up of the book. The mechanical part of the work throughout was executed by the well-known publishing house of Pudney & Russell, No. 79 John-street, New-York, who, as the subscribers can judge, have performed their duty well and need no praise from us.

We tender our sincere thanks to the members of the order for their liberal subscriptions to the UNIVERSAL MASONIC RECORD.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON & CO.,

PHILADELPHIA,

WILL EFFECTUALLY CURE

Liver Complaint, Jaundice, Dyspepsia, Fever and Ague, Chronic
or Nervous Debility, Chronic Diarrhoea, Disease of the
Kidneys, and all Diseases arising from a disor-
dered Liver, Stomach, or intestines.

SUCH AS

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

It is not now an untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale are unrivaled by any similar preparation extant. The testimony in its favor given by prominent and well-known Physicians and individuals, in all parts of the country is immense.

THEY ARE ENTIRELY VEGETABLE,

And free from Alcoholic Stimulant, and all injurious ingredients; are pleasant in taste and smell, mild in their operation, will expel all morbid secretions from the body, give bloom to the pallid cheek, and health and vigor to the frame.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in these Bitters an Elixir that will instil new life into their loins; restore, in a measure, the energy and ardor of more youthful days; build up their shrunken forms, and give health and happiness to their remaining years.

It is a well established fact, that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of invalids these Bitters are *especially* recommended. Their peculiar tonic and invigorating properties render them invaluable in such cases. The patient should immediately discard all Pills and Powders, as they only weaken the system, and resort to the use of the Bitters, the invariable result of which will be a strong and hearty constitution, a disappearance of all nervousness, a good appetite, and a perfect restoration of health.

WEAK AND DELICATE CHILDREN

Are made strong by using these Bitters. In fact, they are a Family Medicine: they can be administered with perfect safety to a child three months old, the most delicate female, or a man o. ninety.

Persons visiting districts harassed annually with FEVER AND AGUE, or ANY FEVER OF A BILIOUS NATURE, will find that, by the timely use of one or two bottles, they will not in any instance take the disease, as the Bitters will renovate and strengthen the system, and carry the bile off in its natural channel. *Prevention is better than cure.* Price 75 cents per bottle.

HOOFLAND'S BALSAMIC CORDIAL

Will positively cure Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Disease of the Bowels arising from cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advance stages of the latter diseases. Price 75 cents per bottle.

HOOFLAND'S GERMAN PILL.

This Pill being well known throughout Europe and America, needs no commendation here. It is purely Vegetable, and may be relied on where a Cathartic Pill is required. They are prepared with great exactness, and are thoroughly coated with sugar.

These medicines are prepared by Dr. C. M. JACKSON & Co., Philadelphia, Pa., and are sold by druggists and dealers in medicines everywhere. The signature of C. M. JACKSON will be on the outside of each bottle or box.

In our "*Everybody's Almanac*," published annually, you will find testimony and commendatory notices from all parts of the country. These Almanacs are given away by all our agents.

AURO-PLASTIC MASTICATORS.

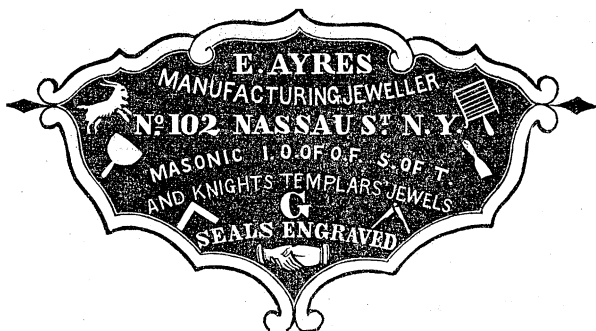

The AURO-PLASTIC MASTICATOR of DR. B. F. SMITH, DENTIST, is simply a vulcanite grinder, supplying the place of the natural jaw teeth, to be used during the process of eating. It is simple, convenient, cheap, easily adjusted, and performs its work thoroughly, and may be applied in almost every mouth. The narrow vulcanite plate is invaluable to public speakers, as it obviates the necessity of wearing the large metal plate covering the roof of the mouth, which so injuriously affects the sense of taste and interferes with a perfect articulation. These plates are lighter, stronger, and more cleanly than the best WIDE METAL PLATES; adhering firmly to the gums, without the disagreeable necessity of constantly exhausting the air. The galvanic action from metal plates, which frequently causes nervous irritation, is entirely avoided.

DRS. WARREN and STONE, of *New-Orleans*, COL. PIERPONT, and the editor of the "*Rusk Enquirer*," MR. YEOMANS, of *Texas*, JUDGE GRIFFIN, of *Mississippi*, and DR. FRANKLIN, of *New-York*, bear testimony to the perfection and durability of the Masticator.

PAST G. MASTERS MITCHELL, of *Missouri*, and MILNOR of *New-York*, endorse, from personal knowledge and experience, the value of this invention.
